Attention: Brokers

As of November 2008 NAR has changed the requirements for joining or being a member of a MLS.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm offers or accepts cooperation and compensation means that the participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by listing brokers or agents in the MLS. "Actively" means on a continual and ongoing basis during the operation of the participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a participant or potential participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a participant or potential participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the participant or potential participant as long as the level of service satisfies state law. (Adopted 11/08)

The key is that the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a participant or potential participant that operates a "Virtual Office Website" (VOW) (including a VOW that the participant uses to refer customers to other participants) if the participant or potential participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a participant or potential participant actively endeavors during the operation of its real estate business to offer or accept cooperation and compensation only if the MLS has a reasonable basis to believe that the participant or potential participant is in fact not doing so. The membership requirement shall be applied in a nondiscriminatory manner to all participants and potential participants. (Adopted 11/08)
